WELCOME

Hello and welcome to Festival Fleurieu 2025.

The artist studio trail and exhibitions are the core of the Festival, with offerings across the Fleurieu Peninsula showcasing a broad

range of artistic endeavours and styles. They provide a rare opportunity to not only see the work of local artists but also talk to the artists and even see them at work. There are also workshops to help you discover or develop new artistic skills.

Music is a large part of the Festival, with local halls holding events, thanks to funding from the District Council of Yankalilla. The Olives is again hosting an event, this time a taste of Shakespeare.

Our opening event this year will be a family day at Cape Jervis, thanks to funding from Bendigo Bank. In addition to music by *The Boogie Men* and food offerings, there will be many activities to keep the children interested, including the Amazing Drumming Monkeys, Farmer Darcy's Travelling Farm and a colour run as the finalé of the day.

This year we have also ventured into the area of children's literature with a two-day pre-school to 16 years event of workshops provided by South Australian children's authors and some of our amazing local artists. As part of this, we are pleased to welcome Mem Fox and Mandy Foot as lunchtime presenters.

I would like to thank Alison Fort for her amazing ongoing support of the Festival. Her unwavering enthusiasm and creativity is much appreciated and we wouldn't have such a great looking program without her creative input.

Enjoy looking through the printed program and, for more detailed information, visit our website: www.festivalfleurieu.com.au

We look forward to seeing you at the Festival.
